

September 2, 2024

To Whom It May Concern:

Google is pleased to inform you that Ke Shi has successfully completed Google Summer of Code 2024, a program where accepted participants learn about open source software development by writing code for an open source project under the guidance of mentors.

Ke was accepted into the program by, and developed open source software for, GeomScale, beginning May 27, 2024 and ending on August 26, 2024. Over that period, they passed their two evaluations conducted by their mentor receiving a stipend of 1800 USD for the project.

Ke worked remotely on their project and was not required to visit either Google or the offices of GeomScale. Ke Shi was not directly employed by Google during Google Summer of Code 2024. The Google Summer of Code 2024 program was administered by Google from our corporate headquarters.

More information on Ke's project can be found at:

<https://summerofcode.withgoogle.com/programs/2024/projects/bWOWATfK>.

You can learn more about the program on our website at g.co/gsoc. Should you require any further information, please do not hesitate to contact our team via email at gsoc-support@google.com.

Best,

A handwritten signature in black ink that reads "Stephanie Taylor". The signature is fluid and cursive, with the first name and last name clearly distinguishable.

Stephanie Taylor
